Presenting Year-round Programs and Fundraising Events

Volunteering, Learning and Sharing

Volunteering: Volunteer opportunities exist on many levels for our members. You can help organize special events, make wreaths and floral arrangements, create fiber arts and potpourri, pot plants, serve as a garden hostess, make quilts, and more.

Learning: Many opportunities to learn and teach others exist within the Auxiliary. Our quarterly luncheon meetings offer educational forums with experts and informal get-togethers. We also host workshops at Frog Hollow on topics such as harvesting and drying herbs, floral arrangement, and fiber arts.

Spring Plant Sale: Share your interest in gardening and lend a hand at Minnesota's largest and finest plant sale.

Summer Garden Tours: Delight in the days of summer sunshine and help our garden tour guests enjoy a wonderful day visiting beautiful private gardens.

Quilt Raffle: Help create a nature-inspired handmade quilt for a lucky winner of the annual raffle.

Fall Harvest Sale: Learn or perfect your skills in creating arrangements, textiles, potpourri sachets, greeting cards, scented items and many other seasonal gift items to sell at this popular event.

Supporting the
Arboretum since 1968

The Auxiliary has donated nearly \$2 million to improve the Arboretum as Minnesota's premier public garden and horticultural research center. These funds also support the Arboretum's educational programs. Make new friends, develop creative talents, participate in planning and helping to organize events to encourage personal growth.

For membership information, call (612) 625-9587 or visit www.arboretum.umn.edu/auxiliary.aspx

Join at the \$15 membership level. Arboretum membership required.

Sharing: Information in the quarterly newsletter will keep you updated on what's happening with Auxiliary members, activities and events. Members share their knowledge and expertise as we work together, learn together and enjoy the Arboretum.

Holiday Sale: Create beautiful arrangements and wreaths with natural materials. Help create unique gift items including textiles, ornaments, potpourri, pressed flowers and many other gift items with a winter or holiday twist.

Other Special Events: Assist in the planning of special evening receptions and other fundraisers that benefit the Arboretum.
